

Welcome to **ANANDAM H.S. PAUL MEMORIAL INSTITUTE**

An English Medium CBSE School Under the Aegis of

Acoustical Foundation For Education & Charitable Trust (AFECT) -

About the School

Anandam H.S Paul Memorial Institute is a beacon of learning in Garhbeta, where we believe education should be a source of joy and empowerment. Through our slogan, "**Learning for Life, Growing with Values,**" we emphasize the importance of nurturing not only academic knowledge but also the moral strength and resilience essential for life. Here, each student is encouraged to pursue their dreams while remaining grounded in their values, contributing to a brighter future for themselves and their community.

Our school strives to create a supportive environment where every child feels seen, valued, and encouraged to grow. We believe that education should go beyond textbooks, focusing on the holistic development of each student. With a curriculum designed to promote creativity, critical thinking, and compassion, we aim to equip our students with skills that will serve them in all aspects of life. Our dedicated faculty works closely with students, guiding them toward success with care and encouragement.

Anandam H.S Paul Memorial Institute is committed to instilling a sense of responsibility and citizenship in our students. We encourage them to be mindful of their roots while reaching for the stars, creating individuals who are both ambitious and community-oriented. By fostering values like respect, empathy, and integrity, we aim to produce not only successful students but also kind and thoughtful human beings who will make a positive impact on the world.

On the Founder

Prof. Hari Sadhan Paul
PhD. D.G. FABI FASA (USA)

Late Prof. H.S. Paul was born in 1934 at Moulara, P.O. Mangalore, Garbeta, Paschim Medinipur. He lost his father at an early age and was brought up by his elder brother Late Manmatha Nath Paul. Because of his constant support and encouragement he excelled in education. He was a gold medalist from Jadavpur University, earned his PhD from IIT, Kharagpur in Mathematics and worked as a professor in IIT, Madras. A number of scholars had earned PhD degree under his supervision and he was a fellow of the Acoustical Society of America (ASA). He visited many countries and was a frequent visitor to the ASA (USA). He established the AFECT in Chennai in 1998, which was shifted to Taldangra, Fatesingpur, near Garbeta railway station in 2009. His main interest was to establish a centre for excellence for acoustically challenged children by introducing modern method of learning to help these children grow into independent and respectful individuals. Unfortunately Prof. Paul expired on 1st December, 2012.

As a mark of respect to the deceased the present Trust board is working to fulfill his desire and vision. The Trust is committed in establishing an English medium CBSE school up to standard XII. A special charitable center for acoustically challenged children is also initiated along with other programs to improve their physical and mental health . The Trust invites all local people to be associated with AFECT so that it can be a unique educational institute for our children. The institute will provide a platform for next generation to build a better career and eventually become responsible citizens of the country.

About the School Diary

The school diary aims at establishing a valuable link between the teachers and parents with regards to the quality and quantity of work attempted by teachers and students both in school and at home.

Please ensure that your ward brings the school diary to school every day. You should go through it, each day at home and check if your ward is doing his/her school work properly and is keeping pace with the progress of the class. Please see to it that your child keeps sufficient time to complete his assignments and parents should countersign teachers' remarks and also mention the completion or non-completion of the works given.

It is being emphasized in the school that home tasks should be set on topic with which children are familiar and the unknown world should be explored in the class room under the guidance of the teacher. The home task sent must be done without any help from others. In case of difficulty students should seek the help of the subject teachers in the school without losing any time.

It will be beneficial if comments made by you in the school diary adhere to the student's work and conduct. No purpose will be served if any criticisms of the teaching method or conditions at home enter these pages, bringing the home and the school at variance with each other. Such criticism, if necessary, can be conveyed personally or through separate letter to the Principal who will certainly look into those matters.

Thank you for your co-operation.

From the Desk of Managing Trustee (AFECT)

The Trust AFECT is carrying forward the mission of late Prof. H.S. Paul. The Trust is working sincerely on two main projects since 2013. One of it is to establish a unique Central Board of Secondary Education (CBSE)affiliated higher secondary school, Anandam H.S. Paul Memorial Institute,offering subjects of both Science and Humanities. Presently the school has obtained the NOC & Recognition certificate from the State Government of West Bengal and the affiliation from CBSE up to class X. The school Managing Committee, Principal and qualified teachers are working sincerely and successfully to maintain high standards of education and upholding the faith and trust of the people of Garbeta.

The other one is to attract acoustically challenged children of this locality, to vocational training programs and to education at free of cost. Two trainers/teachers are already teaching on Saturdays and Sundays to these students using sign language. In addition to teaching basic subjects , the institute also provides them basic training in computer, handicraft, tailoring courses as per the choice of the students. We believe in the philosophy of commitment to serve the society willingly, graciously and selflessly. The trust is looking forward for experienced people with similar mindset to join hands with us for the upliftment of future generation of these localities through quality education as per the New Education Policy of the Central Government.

Dr R.K.Pal
Managing Trustee
AFECT

Trust Board (AFECT)

1. Dr. R.K. Pal (Managing Trustee) Rtd. Associate Professor from Delhi University
2. Dr. S.S. Mandal Rtd. Associate Professor, Govt. of WB.
3. Prof. Subhas C. Kundu Rtd. Professor, IIT Kharagpur
4. Mr. Sunil Kumar Rana Managing Director, Rana Group of Companies.
5. Mr. Indrajit Pal Rtd. Teacher

From the Desk of **the General Secretary of School Management Committee**

Education is the most powerful instrument for transforming society, and at ANANDAM H.S.PAUL MEMORIAL INSTITUTE (CBSE English Medium Secondary School) we are committed to nurturing young minds with knowledge, values, and confidence. Situated at Fatesingpur, Garbeta, West Bengal, very closed to Gangoni, Grand Canion of India, ANANDAM was established with a noble vision—to provide quality English-medium, CBSE-based education to children from diverse backgrounds, especially those in rural and semi-rural areas. We firmly believe that children can grow holistically in the beautiful rural regions of Bengal, especially in the red soul areas. ANANDAM has also modern hostel facilities for distant students. Our school emphasizes not only academic excellence but also character building, discipline, moral values, and life skills. We strive to create a safe, inclusive, and stimulating learning environment where students are encouraged to think creatively, communicate effectively, and grow into responsible global citizens rooted in Indian culture. With a dedicated team of qualified teachers, modern teaching methodologies, and a child-friendly campus, ANANDAM aims to prepare students to meet the challenges of a rapidly changing world with confidence and compassion. I extend my heartfelt gratitude to parents, teachers, and well-wishers for their continued trust and support. Together, let us work towards shaping a brighter, enlightened future for our children and our nation.

Warm regards,

Dr. P.K. Pal

General Secretary

**School Management Committee
Anandam H.S. Paul Memorial Institute**

Principal's Message :-

Welcome to Anandam H.S. Paul Memorial Institute.

Education, at its most fundamental level, is an act of hope. It is the belief that every child, regardless of their background or physical ability, possesses an inherent spark of potential that deserves to be nurtured. At Anandam, we do not merely see ourselves as a school; we view our institution as a living tribute to a vision of equity, excellence, and profound empathy. Our journey began many years ago in this quiet, backwater region, driven by the extraordinary conviction of our founder, Professor H.S. Paul. A world-renowned scientist whose intellect reached the global stage, Professor Paul remained deeply attached to the soil of his roots. He understood that true progress is measured not by the heights one reaches individually, but by how many others one lifts along the way. His mission was clear: to bring high-quality, life-transforming education to a landscape where opportunities were scarce, with a primary focus on embracing children with disabilities. As a CBSE-affiliated secondary school, we have spent years taking small but assured steps toward fulfilling that mission. We believe that "equitable education" is not just a catchphrase; it is a daily practice. In our classrooms, diversity is our greatest strength. We strive to create an environment where a child's determination outweighs their limitations, and where every student learns the values of compassion, patience, and mutual respect.

- **Our Philosophy** :- We aim to balance academic rigor with a nurturing spirit. While we follow the comprehensive curriculum set by the CBSE, our approach is uniquely shaped by our local context. We understand the challenges of our geography, and we turn them into opportunities for resilience. Our students are taught to be globally minded yet locally grounded—much like the founder who inspired our existence.
- **A Commitment to Every Learner** :- The "Anandam" experience is built on three core pillars:
- **Inclusivity** :- Ensuring that learners of all abilities feel a sense of belonging and receive the specialized support they need to thrive.
- **Integrity** :- Cultivating a strong moral compass in our students, preparing them to be responsible citizens of the world.
- **Innovation** :- Utilizing modern pedagogical tools to bridge the gap between rural landscapes and global standards. As we look toward the future, we remain committed to the "assured steps" that have defined us. We are not in a race for numbers; we are in a mission for impact. We invite you to join our community—a place where the legacy of a great scientist continues to breathe through the laughter, curiosity, and achievements of our children. Together, let us continue to transform the horizon of education into a landscape of infinite possibility.

With warm regards

Mr. Snehasish Chakraborty
Officiating Principal

Hostel - In-Charge Mr. Janardan Pal (M - 9474069396)

Warden - Mr. Subhrajyoti Sarkar (M - 8597997616)

Office Contact Numbers

7076401269, 9732457609 (Mr. Anup Pal)

MISSION

- To provide quality education with equal opportunity to all students irrespective of religion, caste or class.
- To develop a sense of equality amongst children and help them face challenges of the world with a wide outlook.
- To make them self-reliant, productive individuals and awakened citizens.
- To provide the world with the leaders of tomorrow by inculcating among the young scholars of today the freedom of thought, choice and the freedom of expression.

LONG TERM GOALS

1. To provide an integral formation of the self.
2. To enable pupils to become men and women of action and reflection rooted firmly in and inspired by the values of human dignity, equality, social justice and secularism, to inculcate rationality among them.
3. To create among the students a sense of compassion for the weaker and poorer section of the society, love for all living creatures & concern for the environment.
4. To foster in them skills to live and work in harmony with those who differ from them in religion, caste, language, ethnicity etcetera.
5. To encourage the students to guarantee their self growth.
6. To promote deeper bonding among the staff with a common mission.
7. To reach out to parents and share with them our vision of education.

8. To run a special education centre for acoustically challenged children.

CODE OF CONDUCT

1. To wear the school uniform correctly and with pride.
2. To co-operate with all staff members.
3. To show collective spirit by participating in school activities.
4. To bring text books for all lessons of the day.
5. To leave the school only during emergencies with the written permission of the Principal .
6. To maintain silence in the Library and Computer Lab.
7. To keep the classroom, school environment clean and tidy.
8. To be familiar with the school campus .
9. To listen attentively to others in & outside of the classroom.
10. To learn to reject behaviors such as swearing, spitting, fighting, and damaging school property.

FOR PARENTS

1. Play with your child and allow them to learn and explore their surroundings through play.
2. Encourage independence in washing, clothing and feeding.
3. Let your child help you with your tasks whenever possible.
4. Ask them about what they are doing and how they are feeling at school.
5. Read before them/ let them read before you and retell stories by sequencing and discussing pictures.
6. Listen to them as much as possible with patience.

EQUITABLE EDUCATION

The school is committed to imparting an equitable curriculum , strictly in compliance with the National Education Policy (2020).

HEALTH

Periodical health checks-ups of students and submit report to the parents whenever required. The sick room of the school is well equipped with First Aid equipment and trained staff.

PRESENT STATUS

Anandam is presently running upto class X. It has already got state level N.O.C. from W.B. Govt and school affiliation from CBSE upto secondary level and will upgrade to Higher Secondary level gradually.

EDUCATIONAL TOUR/ EXCURSION

To interconnect learning with lived experiences, it is compulsory for all students to participate in educational tour / excursion as per CBSE rule.

SECURITY

The school ensures safety and security of all the students and visitors. Entry into the school campus is restricted. Visitors may be allowed in emergencies to meet a student and / or the child may be handed over to the escort after necessary verification/notification only. We have CCTV surveillance around the campus.

FACULTY

Teachers for each class are qualified, trained (Montessori , B.Ed. or M.Ed, B.P.Ed.) and well experienced. Continuous appraisal and training of the faculty members are carried out by the Academic Advisors/ Administrators of the school. Methodology of teaching is based on activity-based learning. Teachers follow their lesson –plan for activity – based teaching- learning through worksheet solving & demonstration , projects, fieldwork etc.

ASSESSMENT

A student not having the required attendance(75%) will not be promoted to the next class. Parents are requested to track attendance of their wards, as intimated through the school diary or progress report.

Two unit tests, one mid-term and one final exam will be held in every session as a part of Continuous & Comprehensive Evaluation(CCE). Students will get Report cards after the final exam . Parents must visit on scheduled dates and times to see their ward's answer scripts.

COMMUNICATION WITH THE SCHOOL

It is mandatory for parents / guardians to acknowledge the circulars sent by school and maintain regular interaction with the class teacher through the school diary and to attend every parent- teacher meeting.

Parents/guardians have to meet the school authorities as and when called for. Any failure on their part to comply with the request of the authority will be dealt with as per the prevailing rules and regulations of the school. Management of the school reserves the right to amend the clauses contained in the prospectus. The decision of the Management will be binding to all concerned regarding any matter mentioned or not contained in the prospectus.

CO-CURRICULAR AND EXTRACURRICULAR ACTIVITIES

The school regularly conducts co-curricular and extracurricular activities like sports , i.e. Football, Volleyball, Badminton, Martial Art, Yoga, Art,& Craft, Drawing where activities are offered to children according to age- groups of the children. The school has developed its own beautiful modern play ground in the campus. For special development of a child's talent separate special martial art class is conducted within our school campus after the school hours .

- Special drawing class is also conducted at our campus to enhance imaginative skills and talent.
- Special Football coaching and Yoga class is also conducted to keep the child healthy and active and to avoid mobile addiction.
- Special Tuition / coaching is done by our own school teachers in subjects like English/Hindi/Maths/ Science/SST.
- Spoken English Language Lab has started from this academic session onwards to improve communicative skills of students
- Upgraded Science and Math lab and Library are also offered.
